HOW LADY RIDERS AT THE HIPPO-DROME ARE TRAINED FOR THEIR PERILOUS FEATS.

It was to one of the ordinary rehearsals or training lessons at the Hippodrome, says the New York Mail, that our reporter was admitted. The immensa empty auditorium, the half-slackened ropes, the flapping canvas, the ants.

Be it enacted by the Senate and House of Reputations of the United States of America in Congress assembled, That when an occupant of made the scene as different from the bright

and remedies, and, upon instituting the proper proceedings, such relief as may be given or secured to him by the statutes of the State or Territory where the land lies, although the rienced eye no motion, however slight, of either horse or rider, was lost; every strap and buckle of the caparisons was noted at a glance, and, if in fault, was instantly rectified. The ladies were just concluding their lesson in fist racing, which, for the sake of the

times inspire a fair rider to attempt the impos-sible, or at least to take a heavy risk, and

hence she comes to grief.

Francon's Hippodrome, which was here in 1853-4, brought from the Parisian establishment their female riders and charlot drivers.

The experience then gained, however, demonstrated the companies of the

pension, hereby declared to be entitled to the benefits and subject to the limitations of the general pension laws entitled "An act to revise, consolidate and amend the laws relating to pensions," approved March third, eighteen hundred and seventy-three; and that this act go into effect from and after its passage: Provided, That this act shall not be construed to reduce any pension granted by special active any pensions of all degree of skill engaged at once, from the merest tyro to those who are much further advanced, more or less acctions; the special active any pensions. coming unmanaguable, dashed away from its driver and running against Nixon's vehicle threw that gentlemen, violently out upon the curb; two ribs were broken and his shoulder so

badly injured as to deprive him of the use of that arm for many weeks. Each of the one hundred and fifty girls who presented themselves had to be examined, and Approved, June 6, 1874.

Each of the one hundred and fifty girls who presented themselves had to be examined, and most of them given an actual trial on horse, and the mass from close of sale.

The Government reserves the right to refuse any hid not demend satisfactory.

Packing-boxes to be paid for at a stated price, to be determined by the commanding officer, to be determined by the commanding officer,

from her and sends her from the school as being by far the more incorrigible animal of the two.

Others break flown from various reasons. Some will ride well enough until the band begins to play, when all their self-possession seems to leave them. Another will go on admirably for many days,

Another will go on admirably for many days, until at last by a stumble of a horse or the fault of some other riders ha is suddenly diamounted and alights in the soft and of the arena rather sooner than she intended; henceforth all her usefulness is destroyed, her self-possession is knocked from its courte, her mental equilibrium is lost, and, though ahe may have plenty of courage left, the caunot regain har perfect command of herself, and is thenceforth unsvallable.

Thus from various causes that army of a hundred and fity that at last been winnowed down until there are now but eight first-class riders left. Of course there are others in constant training to be in readiness for hew acts and also in reserve in case of accidents.

The managers would giadly angage at once a hundred more laddes for the hippodrome could they be had of any reasonable degree of pro-

other day, signed "Y. M. C. A.," in which the

The fact than women actuary have contents in one which it is silly for us to pretend to ignore, especially in this age, when art has made us all so familiar with the human forth. There is nothing immoral in our bodies, and the men-and wemen who as painters and sculptors are contactly made familiar with the andraged form in not have their morals contaminated by So fat from objecting to the present of lathing-dress because it reveals boo taking the would be greatly improved if made with short electes and short lign, it uses wearer could secure mays freedom.
